FOOD VENDOR NOTES:

The VSWF reserves the right to limit the number of vendors and the type of food offered. This helps the variety of choices for our festival attendees, as well as protecting the sales opportunities for vendors. You are encouraged to bring extra tents in case of bad weather so we may provide “dry” seating near your booth. Heritage Hall (f.k.a. Bingo Hall) may be available for seating in case of bad weather. All food vendors will be located on the same lane as previous years, although your space may change. It is the only area that we can offer electric and water for food vendors, and we have had many positive comments from attendees and vendors about the food being set up in that area. Do to increasing crowds and safety concerns, food vendors will be spread out along the lane.
